## FROM THE PRINCIPAL DESK

**Mr. N RAKHESH**

Every bud has an innate energy to grow to its maximum potential, Mother Nature cuddles it to bring out this spirit of liveliness in each of these buds. With their growing abilities our students excel in various fields and they learn to achieve their dreams. The team of primary teachers focuses on this aspect and keep providing them with opportunities. It is well known that "the best stories are yet to be written; the best song is yet to be sung. Cheer up! The world is still young" and this optimism is the reason for our tiny tots to achieve beyond their abilities.

"ध्वनि" gives us a quick glimpse how voices of the tiny tots can be articulated in pictures. I take immense pleasure to share with you the experiences and thank the primary team for their efforts in releasing this newsletter.

The effort continues....

## FROM THE H.M DESK

**MRS. ELIZABETH JOSEPH**

We are happy to present the first term newsletter DHWANI which is the product of all the activities performed by our creative children. The ideas of these ignited minds will surely encourage everyone.

I take pleasure in thanking the students for their endeavour and teachers for their guidance

## STORY - TIME

### Adventure and evil Vihari Kumar

This is a story of two men who had opposite qualities. One had positive qualities and the other had negative qualities.

Once they had to travel across a vast desert and go to a far-away place in search of wealth.

The desert was very wild and dry. In addition dacoits thrived in that area. They used the desert as a nice hiding place.

The one with negative qualities was very hasty to cross the desert. Also he wanted to reach the faraway place before the other could reach so that he can earn all the wealth. Without much thinking he started to cross the desert. He didn't care to take heed of the situation. As a result he was caught by the dacoit and plundered. He lost all his earnings.

## लालची कुत्ता

एक लालची कुत्ता था। एक दिन उसे एक रोटी मिली। रोटी लेकर वह एक पुल के ऊपर से नदी पार कर रहा था। तभी उसकी नज़र एक कुत्ते पर पड़ी जो उसे नदी के ठहरे पानी में दिखाई दे रहा था। उसने सोचा कि क्यों न उस नीचे कुत्ते से वह रोटी छीन लूँ तो मेरे पास दो रोटियाँ हो जाएँगी। ऐसा सोचकर उसने भौंकना शुरू कर दिया। जिससे उसके मुँह से रोटी नीचे पानी में जा गिरी। उसे समझ आ गया कि नीचे जो कुत्ता उसे दिखाई दे रहा था वह उसकी परछाई थी लालच में आकर कुत्ते की भी रोटी नसीब नहीं हुई। इस कहानी से य
